## MLS Data Display Disclosure

The Tuolumne County Association of REALTORS® (TCAR) conducts a periodic review of the websites used by its members' to display TCAR MLS data, to insure that members are in compliance with all rules and regulations concerning MLS Data Display on the internet. This audit applies to any website where TCAR MLS data is displayed, including IDX, VOW and Agent/Office "custom input" websites. To facilitate our work, TCAR asks each 3<sup>rd</sup> Party Software Vendor to provide a list of TCAR Member(s) on whose behalf they work, as well as a list of any/all Web URL's where our MLS data will be displayed for those TCAR Member(s). (Note: Your firm may not be hosting or maintaining the actual website of/for the member. If your firm is building a URL Link and then handing that URL name off to some other entity, the member's webmaster, the member themselves, another Vendor company, etc., be sure to tell us who you are giving the URL Link Name to, so we can "follow the footsteps" to the actual website(s). Thanks!
