 Participant Data Access Agreement**

RETS INTERFACE FEE SCHEDULE

RETS Interface one time set up fee - \$200.00

The setup fee is due and payable before any login information is given.

RETS Interface quarterly fee - \$75.00

Billing is quarterly on a January, April, July and October cycle. Fees are due BEFORE close of business on the last day of the month PRIOR to the first day of the new quarter. If fees are not received on time, the vendor interface will be suspended and there will be a \$75 reconnection fee (in addition to the quarterly fees due) to reinstate service. The feed will be restored once the total amount due has been paid.

Billing is sent out 30 days prior to the date on which the fees are due. The bills are emailed whenever possible. If it is not possible for you to receive your bill via email, please let us know and we will be happy to mail it. It is the Vendors responsibility to keep TCAR apprised of any changes to your contact information.

TCAR will endeavor to get a bill to the Vendor. However, it is the Vendors responsibility to know when the fees are due and payable. Failure of the Vendor to receive a bill does not relieve the Vendor of the responsibility to pay fees when due, nor does it relieve the Vendor of paying a reconnection fee when payments are received after the due date. Payment may be made by check mailed to TCAR office address or by credit card via phone.

TCAR requires a valid email address be on file for all invoicing and billing related transactions. Please provide your billing information here:
